

I am older now
Got to make my own way
I don't know how
But i know that I can't stay
Goodbye, don't wanna
see you cry

(moving on - ryuichi sakamoto)

This march Im starting art school.

wohoo!!

Not gonna lie I am scared!!!

I don't know what else to say! in one hand I am really exited. Finally after personal stuff + covid fucking up everything I can continue my education

But damn. I feel like my art is not good enough

AND I KNOW!!! that art is subjective and the point of art school is to go and get better.

The best thing I can do right now is just try to calm down. I just need to embrace the fact that I'm starting a new period in my life whre I'll meet new people and learn stuff I would have never done by my own.

THAVE TO MOVE ON
